

# Nonprofit Resources

MCN is here to support nonprofits. Check out the resources below about the top five things to have on your radar.

## Federal Government Shutdown

The federal government has been shut down since October 1<sup>st</sup>. Learn more about what it means for nonprofits - and what we can be doing to prepare and take action.

## Why the Johnson Amendment matters to nonprofits

The Johnson Amendment is critical to the foundation of the nonprofit sector and it would be bad for our society if repealed. Contact your Congressperson to tell them we need the Johnson Amendment.
